

An aerial photograph of a tropical beach. The water is a vibrant turquoise color, transitioning to a deeper blue further out. A small, white motorboat with a dark canopy is in the water. The beach is a narrow strip of white sand, bordered by dense green vegetation. The sky is a clear, deep blue.

Casa Amani
GREAT EXUMA

...not out of the way, but out of this world

Welcome to Casa Amani

We are very excited that you have chosen our house for your stay and we hope that you will have a wonderful time spending your vacation here in beautiful Exuma.

This booklet was created to provide you with a list of the most important information, contacts and resources needed to make your stay with us uncomplicated, enjoyable and memorable.

The island offers countless stunning beaches, bars, restaurants and attractions to visit and we encourage you to explore at least a few of them.

Although Great Exuma and the life here is an absolute dream, the remoteness can be challenging at times. Services as well as the access to general goods are sometimes limited.

Hence this booklet is here to navigate you through island life as well as provide you with all the necessary information.

We fell in love with the Bahamas a few years ago and are happy to share this magical place with you.

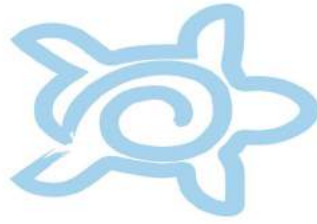

Just be careful, you might fall in love as well.

If any of your questions are not answered in this booklet, please feel free to get in touch so we can help to make your stay most enjoyable.

All the best,

The Eberle Family

CHECK IN / CHECK OUT

Check In: 3:00 pm - If you wish to arrive a little bit earlier, please contact us so we can try to arrange accordingly.

Check Out: 10:00 am

GETTING TO AMANI

Address: The Queens Highway, Hartswell, Exuma

Head towards Hartswell on Queens Highway out of Airport drive until the roundabout than turn right toward Georgetown.

Drive 9 miles pass Georgetown, then drive for another 8 miles on the Queens Highway pass Rolle Town until you see the city sign for Hartswell. 300 feet past the sign you will find the entrance to Casa Amani (and Bahari House) on the left side of the road. After you pass the entrance, follow the driveway to the left straight up to the house. You're there!!

ARRIVAL & ASSISTANCE

You will receive a dropped Google maps pin with the directions to get to the property.

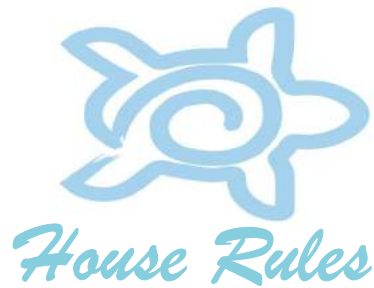

There is also a map with directions further down in this booklet.

If you need any assistance, please don't hesitate to contact Monica Minns: +1(242) 554 2439

LEAVING FOR DEPARTURE

Before you leave, please arrange with Monica Minns where she can collect the keys from you.

DRINKING WATER

Upon arrival there will be one 5 Gallon water bottle that can be refilled at several places on the island.

The normal tap water is ok to boil, bathe and brush your teeth with.

INVENTORY

We will take inventory at the beginning of your stay as well as the end. Lost towels, broken glasses etc will be discounted from your deposit. Please do not remove any glasses, plates or cutlery for boating or outside trips.

AIR-CONDITIONING

The whole house is equipped with air conditioning. The living room, the kitchen area as well as the garden guest rooms are all controlled via one air condition controller, located on the wall next to the TV. The Master Bedroom and the Junior Suite have one air condition with remote control. If you go out all day, please set the temperature higher. The house will cool very quickly upon your return.

KAYAKS

One of the best ways to explore the area in front of Amani House is going out by Kayak. We have provided 2 Kayaks and 2 Stand up Boards that you can find down at our dock. We ask you to take great care of them. For your safety, please use the kayaks only in calm sea conditions. Please take care!

BEACH TOWELS

The beach and pool towels are found in a basket in the living room. Please do not use the regular towels for the beach. Furthermore make sure to shake the beach towels before entering the house to get rid of the sand. This is also very important to do before putting them into the washing machine.

WET BATHING SUITS

Please do not sit inside with salty or wet bathing suits. The salt is very damaging to our furniture and upholstery. Also do not sit in any case with sun oil on upholstery and beds.

Water & Shopping

WATER

The house is connected to the city water line, nevertheless it can sometimes happen that the pressure is weak.

In this case we recommend not to use too many connections at the same time. Especially the dishwasher and the washing machine should never run at the same time.

GARDEN

Our garden has an irrigation system that starts working at 7 am for one hour.

Feel free to cut flowers and decorate the house indoors with them.

HOUSE CLEANING

The house will be cleaned once a week. Additional cleaning can be requested for \$120/cleaning.

GOLF

World-Class Golf in Great Exuma

Designed by golf legend Greg Norman, the award-winning Emerald Bay Golf Course is recognized as one of the most scenic 18-hole ocean-side golf courses in the Caribbean and renowned for its challenging fairways. A golfer's paradise, six signature holes hug the coastline of a scenic peninsula and prevailing trade winds promise new experiences with each game. The bright Exuma blue waters and pristine greens set the stage for the annual *Korn Ferry Tour* season opener at *Emerald Bay Golf Course*.
